### Enrollment and Billing Policies:

Tuition is based on the number of days a week you attend. There is a two-day minimum to attend the program. Your monthly tuition rate is written on your enrollment contract. Tuition fees are based on your child's contracted schedule and are not adjusted for absences due to illness, holidays, weather related cancelations, or any other event that results in absence.

All tuition payments are due on the last day of the month for the following month. Staff salaries and program materials rely on your tuition; therefore it is essential that tuition be paid on time. Tuitions that are not paid on time are subject to a late payment fee. Unpaid balances of more than 14 days may be subject to termination of the enrollment contract.

**Registration Fee:** This non-refundable \$25.00 deposit must be attached for application to be processed.
